## LEAVE

## ABSENCE FOR VOTING

Employees are reminded of Agency policy with respect to excused absence for voting as contained in paragraph 9 of  LEAVE:

25X1A

- "a. Insofar as may be practicable without interfering seriously with production, employees who desire to vote at communities where they maintain voting residence, except where voting by absentee ballot is permitted, will be excused for that purpose, without charge to leave, for a reasonable time on all election days. Further, employees who will be voting in jurisdictions which require registration in person will be excused for that purpose, without charge to leave, for a reasonable time during the registration periods specified by the jurisdiction in which they will vote. Such authorized absence should not exceed the time actually required to vote or register, as the case may be and in no event shall it exceed one workday for each election or registration period.
- "b. In those cases when an employee requests additional leave for voting or registration which will require longer than one day in order to enable him to go to his legal residence to vote or register, permission will be granted whenever practicable and the period of absence in excess of one day will be charged to annual leave or, if annual leave is exhausted, to leave without pay."
